

## Key Tax Dates March 2023

Monthly and semiweekly requirements for depositing payroll taxes.

### Monthly Requirements

**If your church reported withheld taxes of \$50,000 or less** during the most recent lookback period (for 2023 the lookback period is July 1, 2021, through June 30, 2022), then withheld payroll taxes are deposited monthly.

Monthly deposits are due by the 15th of the following month.

**Important Note:** If withheld taxes are *less than \$2,500* at the end of any calendar quarter (March 31, June 30, September 30, or December 31), the church need not deposit the taxes. Instead, the church can pay the total withheld taxes directly to the IRS with its quarterly [Form 941](#). Withheld taxes include federal income taxes withheld from employee wages, the employee's share of Social Security and Medicare taxes, and the employer's share of Social Security and Medicare taxes.

### Semiweekly Requirements

**If your church reported withheld taxes of more than \$50,000** during the most recent lookback period (for 2023 the lookback period is July 1, 2021, through June 30, 2022), then the withheld payroll taxes are deposited semiweekly with a bank.

This means that for paydays falling on Wednesday, Thursday, or Friday, the payroll taxes must be deposited on or by the following Wednesday. For all other paydays, the payroll taxes must be deposited on the Friday following the payday.

**Note further that large employers having withheld taxes of \$100,000 or more** at the end of any day must deposit the taxes by the next banking day. The deposit days are based on the

timing of the employer's payroll. Withheld taxes include federal income taxes withheld from employee wages, the employee's share of Social Security and Medicare taxes (7.65 percent of wages), and the employer's share of Social Security and Medicare taxes (an additional 7.65 percent of employee wages).
